July/August 2016

Dear Co-Laborers in Christ,

"A faithful man shall abound with blessings:"
Proverbs 28:20a

The summer did not go as we planned, but it was full of blessings. We were unable to have summer school because Pat and Carrie had the Zika mosquito virus. However, we did have our annual Scripture for School Supply Classes. The children worked hard to earn the school supplies you helped to purchase. In the end, thirty families were helped by your giving, and you were a blessing to us.

Another way you blessed us was your help with the church food pantry. With the increase in food prices, we have been unable to keep up with the needs in our community. We are seeing the elderly neglected and families having a hard time providing basic needs for their children. Several of our churches gave large gifts to help with these needs and we are so thankful. The pantry is full, and we have funds to help with special projects like a mattress and linens for Mr. McPhine.

Our blessings continued:

Renisha and Larry said their wedding vows on August 1st making things right with the Lord and creating a Christian home for their children.

Zoe (one of our new pre-teens) asked the Lord to save her in a Sunday morning service.

Carrie received gifts from several churches that provided needed items for the pre-school and kept us busy cleaning and reorganizing.

Even though the summer did not go as we planned, we stayed busy serving the Lord, and He showered us with blessings. Thank-you for being a part of this wonderful summer!

In Christ,
