Thank you for praying!

September/October 2016

Dear Co-Laborers in Christ,

**"...ye have not, because ye ask not."
James 4:2b**

The wicked carnival season is behind us and school has started. Our church family is busy trying to adjust to new schedules and demands on their time. We want them to keep their focus on the Lord, and we are asking you for some extra prayer support:

New children's classes at church have helped our attendance increase. On Sunday mornings, our Character Builders Class is learning about Old Testament characters and on Wednesday nights, our Junior Quiz Masters have been studying the book of Acts. Please pray that the children will continue to come, we will have patience, and souls will be saved.

The bus route has continued to grow. Some of our church members have moved and we have several more with physical problems in need of assistance getting to church. Please pray for Robert as this takes a lot of time and energy.

Pre-school had an exciting beginning. The children settled in quickly and seem to be learning and having fun, but two students need extra prayer. Chris does not talk so learning has been slow and difficult. Shamiah can not function socially and has speech problems.

As the holiday season approaches, please pray for us as we plan special music for the choir and organize a children's program. This will be a busy time as we give gifts to the elderly and shut-ins in our community and purchase gifts for the children who attend the Christmas morning service.

Your prayers are needed, and we trust these special requests help you as you petition the Lord on our behalf.

In Christ,

The Mathena's
