November/December - 2017

Dear Co-Laborers in Christ,

*"Seek the LORD and His strength,. Seek his face continually. Remember his marvelous works..."*

I Chronicles 16:11-12a

What we enjoy most about the holidays is the many opportunities to remind people of what the Savior has done for them so they will desire to know and live for Him.

Most of November was spent preparing for these opportunities. First the church was cleaned and then our church family decorated the Christmas tree. We shopped for presents and snack packs for the children and gifts to deliver to the elderly and shut-ins. The church choir learned new Christmas songs, and the children began practicing for a program that included music by the "Joyful Noise Band."

During these preparations, we rejoiced when Gina decided to "seek the LORD and his strength" by trusting Christ as her Saviour.

In December, we reminded our community of "his marvelous works" with songs around a giant bonfire. We also delivered gifts to the elderly and shut-ins and our monthly food baskets to those in need. Our Christmas service was packed giving those in attendance the opportunity to "seek the LORD."

The holiday season ended with our Old Year Service. This night of remembering past blessings and looking forward to the New Year was complete when two asked the Lord to save them.

Now we are looking forward to another year of blessings as we "seek the LORD and his strength...continually."

In Christ,
