# Thank you for praying!

March/April 2017

Dear Co-Laborers in Christ,

**"Remember his marvelous works that he hath done, his wonders, and the judgments of his mouth."**

**I Chronicles 16:12**

One of the benefits of writing prayer letters is that it causes us to look back at the past two months and remember:

The Easter holidays helped us remember God's love and the great price Jesus paid for our salvation. Our church family got busy inviting people to our Easter Sunrise Service and Breakfast. The building was packed with people who hadn't heard the Easter story in a long time and with others who remembered and gave thanks.

Driving is always a challenge in Grenada, and we are constantly reminded to thank God for His protection. We drive on the left side of very narrow, mountainous roads that are poorly lit and full of pot holes, and something or someone is always in the road. One Sunday evening as Robert took people home from church, he turned the corner by the rum shop above the church and something caught his eye so he hit the brakes. Immediately two men ran out of the shop and dragged a sleeping man out of the road. Robert missed sending the drunk, sleeping man into eternity by inches.

Remembering God's promise to provide our needs, we rejoiced when two churches sent gifts to replenish our food pantry for another year. We not only deliver food baskets each month, but we are helping with another special need in our church. One of our teens has been diagnosed with a rare heart disease. Her family is destitute so we have been buying all of her medications, personal products, and healthy snacks.

God's provision and promises can be seen everywhere. We just need to take the time to stop, remember, and give God all the glory, honor, praise, and thanks He deserves.

In Christ,
