Thank you for praying!

May/June 2018

Dear Co-Laborers in Christ,

"Blessed is the people that know the joyful sound: they shall walk, O LORD, in the light of thy countenance." Psalm 89:15

May and June provided some unique opportunities to encourage people in the community to come into God's house and hear the "joyful sound" that Jesus saves.

During our Special Visitation in May, we invited moms to attend our Mother's Day Service. We were blessed with twenty-four moms in attendance. We honored them with a gift, and one mom asked Jesus to be her Savior. Then in June, we sought the dads and were rewarded when eight dads attended the Father's Day Service.

Another blessing came as we visited. We met a family new to our community, and they have many needs. Anika and her children have been attending services, and the church is helping them through the Food Basket ministry. We are praying they will respond as they hear the "joyful sound" and be saved.

Pre-school graduation brought the students, parents, relatives, and friends into the church to hear the "joyful sound". Throughout the program, the children recited Bible verses they learned and Robert challenged everyone from God's Word.

Already we have enrolled all of the students for the next year of pre-school. We are excited to share the "joyful sound" with a new group of students and parents.

This year, even before school closed, our community was busy with carnival activities. The carnival season makes many resistant to the "joyful sound". Please pray for us as we continue to minister in the months ahead.

In Christ,
