Dear Co-Laborers in Christ:

"Come and see..." John 1:46b

In the midst of Grenada's Carnival season, we worked to encourage the people to "come and see" what was happening at Faith Independent Baptist Church. Each week, we scheduled special services to reach different groups of people and encourage them in the things of the Lord.

Our first special night was Boys, Basketball, and Burgers. It was a good time of fellowship, food, and instruction for the young men. Robert challenged them to focus on the Lord.

"Christmas in July" had the children excited to "come and see." The evening was full of fun, food, gifts, and even included a Christmas tree. Teacher Carrie encouraged the children to receive the greatest gift ever given: Jesus, God's Son.

The choir gathered one evening for a time of fellowship and we discussed ways to expand their ministry. They are now planning a special visitation to give the gospel in song throughout the community next month.

We have been burdened about the growing number of teen girls coming to the services because most of them are unsaved. We started a Girls Cooking Club that teaches the girls life skills and challenges them to give their life to the Lord. Teacher Carrie also has plans to start a Teen Girl Quiet Time Club.

During these two months, we also had our annual Scripture for School Supplies, worked on summer projects, and prepared for a new year of pre-school. What a busy but blessed time this summer was.

We rejoice with those who have grown in the Lord, but know there are many more who need to "come and see." Please continue to pray. Together we can make a difference in the lives of the people here in Grenada.

In Christ,
