Dear Co-Laborers in Christ,

**"But it is good for me to draw near to God; I have put my trust in the Lord GOD, that I may declare all thy works."
Psalm 73:28**

These past two months have been busy and challenging as we sought different ways to declare God's "works" here in Grenada.

The church choir worked hard on a series of songs that presented the plan of salvation. Then on visitation they sang the songs in different areas of our community. People hung out the windows or stopped in the road to listen. One shop even turned down their music so everyone could hear the choir. Along with the singing, Bro. Fraser preached and gave his testimony. It was a tremendous opportunity to declare God's "works" and Word.

As a new year of pre-school began, we were reminded of the great outreach the school has been. Many of our students this year have siblings that graduated in previous years. Now we have the chance to continue the ministry that was started with these families along with some new ones. The children have been very challenging so far, but we enjoy them and they are learning.

In October, we celebrated the Grenadian Thanksgiving which commemorates their liberation from communism. This event opened the door for us to come to Grenada twenty-nine years ago and declare God's wondrous "works" so the Grenadians could know how to be liberated from Satan's grasp. What a blessing it has been to serve the Lord here. Thank-you for your continued support of the ministry.

In Christ,
