Dear Co-Laborers in Christ,

"STAND fast therefore in the liberty wherewith Christ hath made us free, and be not entangled again with the yoke of bondage." Galatians 5:1

The New Year always gives us the opportunity to challenge people to start the New Year off right by being in God's house. Robert and several of the children drove through Loretto and announced the Old Year church service. We were not disappointed because many came and we even had some visitors. During the service, we emphasized our new church goal which is to "Be Strong in the Lord and Stand." As a church, we will not only memorize verses about the armour of God, but we will be learning how to use each piece of the armour.

As we put on the shoes of the "gospel of peace" for church wide visitation, Robert and Bro. Fraser met Mr. Kenneth. They continued to visit and share the gospel, but his only response was "I am Catholic." Then he had a stroke. Pastor and Bro. Fraser went to check on him and rejoiced when he decided to put on the Helmet of Salvation.

In February, Grenada celebrated their 45th year of Independence. The pre-schoolers dressed up in their Grenada colors, had a fun day learning about their country, and ate the national dish, Oil Down, for lunch. This year the celebration reminded us that Christ has made us free and to not be "entangled again with the yoke of bondage."

Our desire is to continue to share the message of salvation as so many are still in the bondage of sin. Please use the secret weapon and pray for us.

In Christ,

The Mathena's
