September/October 2020

Dear Co-Laborers in Christ,

***"My son, attend to my words; incline thine ear unto my sayings.
For they are life unto those that find them, and health
to all their flesh." Proverbs 4:20&22***

With Grenada's borders partially open and the Covid-19 cases rising to forty, it is God's Word that gives us balance. We cannot worry about what the future holds as we keep on serving Him.

September 7th, pre-school officially re-opened. It was great to welcome our students back even though the public schools did not have in-person learning until September 28th. The school protocols are ever changing, but we are adapting and working hard to help our students learn. The four-year old students are behind due to the school closings last year, and our three-year old students (all boys) are full of mischief.

At church, we have been excited to minister to some new faces from our community and to some other Christians whose churches have not re-opened. We are constantly re-arranging the benches in church to make room and still follow the social distancing protocols. Robert had the opportunity to dedicate two babies to the Lord, and recently we met a dear Christian lady who just lost her leg. Now we are helping her through the food basket ministry.

This pandemic has made it hard to serve the Lord but not impossible. We are learning to be creative, persistent, and willing to follow the Lord's leading. Our US mail service has returned, and we have enjoyed hearing from you. Thank-you for the notes, cards, and faithful support at this time. Stay in His Word and let it comfort and heal.

In Christ,

The Mathena's
