Dear Co-Laborers in Christ:

"How shall we escape, if we neglect so great salvation;"
Hebrews 3:2

We have a tremendous burden for the teenagers of Loretto. The teens come to our services, special activities, and play basketball in the evenings with Robert; but it has been hard to reach them with the Gospel. Peer pressure is one of our greatest obstacles. Older men prey on the young ladies, school is very time consuming with extra classes lasting until late evenings, and in general it is hard for the teens to make a real, life changing commitment to the Lord. All of this makes each soul even more precious to us and we rejoice to have had five teens ask the Lord to save them this time. **Please pray with us that they will continue to come and grow in the things of the Lord.**

Our church music program is getting a lively help. We have started a "Joyful Noise Band." We have eight different kinds of percussion instruments and a keyboard with an average of twelve students taking part in the band and making a joyful noise to the Lord. It is exciting to see the children anxious to help with the music in the church.

Also pray with us as we will be having a crusade in May.

In Christ,
