Dear Co-Laborers in Christ,

**"He that is of God heareth God's words:
ye therefore hear them not, because
ye are not of God."
John 8:47**

A former missionary to Grenada organized the Grenada Bible Project and gave us two hundred Bibles. It has been a blessing to give these out in our community. Through your overwhelming response, we were also able to purchase some smaller Bibles for the church children who can read. Now we are praying that many will read, really hear God's Word, and come to Him for salvation.

Our thirteenth year of pre-school is completed. Graduation is over, students for the new year have been enrolled, and new books and supplies have been purchased. Each year, we pray that God will send just the right students and families we need. Several years ago, we enrolled a student who was diabetic. Now we are so thankful for all we learned. Robert had two hypoglycemic episodes in a row. Both times Pat and Carrie were able to help with their pre-school experience.

Summer projects have begun, but several tropical disturbances have made it challenging with power outages, flooding, and a lack of usable water. One of the projects was steps to get from Mr. Curtis' yard to the road. He fell several times, and it was getting impossible for us to deliver food and medicine. A generous gift helped us to complete the project, and he is so thankful. Summer has just begun, and we have many other projects planned including some repairs on our pre-school playground and our annual Scripture for School Supplies Children's Crusade. If you can help financially with these projects, it would be much appreciated.

In a Sunday morning church service, four really heard God's Word and raised their hands at the invitation. Three needed assurance of salvation. With no encouragement from friends or family, it has been hard for them to keep from doubting. One of these, a teenage boy, asked the Lord to save him. He needs your prayers as his dad is a Rasta who does not like our church.

It is easy to get discouraged because so many do not want to hear God's Word, but we are so thankful for those who have tender hearts and really want to hear. Thank you for giving and praying so we can be here to help those who want to hear God's Word.

In Christ,
