Dear Co-Laborers in Christ,

**“He hath made his wonderful works to be remembered:
the LORD is gracious and full of compassion.”**

Psalm 111:4

Truly God is at work and it is a blessing to share all He is doing:

As a child, Shokell attended our church. Her family moved, Shokell graduated, and now is back in our community. She recently attended church and has a baby. Shokell asked the Lord to save her and has a desire to dedicate her baby to the Lord. Then on Mother’s Day, two ladies asked the Lord to save them.

For several months, the church collected items for the nursing home in Gouyave, and it was a great success! We had a fellowship night at church and packed up the bags of personal items to be delivered. We were able to hand out a bag to each resident and to each worker. Those that helped were so excited about this project that they want to go back at Christmas and carol.

These past three months have been filled with medical problems, but God has met each need with grace and compassion. Pat had a bad fall. It took her a month to recover even though nothing was broken. Carrie had some medical problems to deal with over spring break, and Robert has had a lot of pain in his spine and legs. Robert has tried many different medicines and therapies but there has been little change. With lots of prayer, a back brace, and a cane; he has continued to minister to those in our community.

We trust that sharing God’s “wonderful works” will encourage all of us to continue faithfully serving Him and that remembering He is “gracious and full of compassion,” will keep our eyes on Him as He works through us each and every day.

In Christ,
