

May/June 2018

Dear Prayer Partners and Supporters,

We are so thankful for your faithful prayers as we continue to travel and share our burden for Bolivia. Our extensive travels over the past two months have included our longest road trip away from home which lasted 4 weeks! This trip took us from West Virginia all the way down to Florida, and it included several stops in many of the Southern States.

God has been so good to us these past few weeks, and He has helped us to reach a goal that we had been praying towards concerning our support. After being blessed with several new supporting churches this month, we have reached 30% committed support! Our hope was to be at 25% by the end of June, and once again, God has answered our prayer and increased our faith.

In mid-June, we had the opportunity to attend our annual Family Fellowship Week held by our mission agency. The theme for the week was "The Power of the Cross", and our hearts were stirred through the preaching of God's Word. It was also a wonderful time of spiritual refreshment and good fellowship with fellow missionaries.

We praise the Lord for an almost full calendar of meetings for the rest of 2018, and that our 2019 schedule is continuing to fill up as well! Please pray that God will continue to open doors and keep us moving towards our ultimate goal of reaching Bolivia. Deputation has given us the opportunity to be in so many wonderful churches and to meet some amazing church families that love the Lord. It has been such a privilege and we thank God for each one of you!

Prayer Requests

- Safety while traveling
- Meetings for 2019
- New supporting churches

Answered Prayer

- Reaching 30% support
- A full 2018 calendar
