

**September/ October 2018**

**Dear Prayer Partners and Supporters,**

While deputation has its challenges, we find ourselves becoming ever more thankful for this wonderful opportunity! So many kind brothers and sisters in Christ have opened their homes, shared meals, and loved on our family. It has been such a refreshing time of life. What an incredible blessing to look back and know the faces of the ones who are praying for our family and sharing in our burden for Bolivia!

Since our last letter, we have been privileged to share our heart for Bolivia with 18 different churches. God is continuing to provide new supporters, and we are currently at 45% committed support! Our prayer is that we will surpass 50% by the end of the year, and we trust that God will continue to supply.

We received an exciting update from Bolivia last week! The Murray family, who are planting a church in Northern Santa Cruz, held the first service for their new church plant on October 21. The Lord greatly blessed and there were over 200 people in attendance. After the services, five people trusted Christ as their Savior! We are thrilled to hear about all God is doing in Bolivia, and it makes our hearts long to be where God has called us.

As we near the end of 2018, we look back in amazement at the goodness of God! Our schedule is quite busy throughout the next few weeks, and we are beginning to anticipate the second half of deputation. Please continue to pray that the Lord will allow us to fill our meeting schedule for 2019. Right now, we are excited to be about 60% booked. It is hard to believe that we are nearly at the halfway mark, and we know that God will continue to see us through to the end.
