

Isaiah 41:10 "Fear thou not; for I am with thee: be not dismayed; for I am thy God: I will strengthen thee; yea, I will help thee; yea, I will uphold thee with the right hand of my righteousness."

Dear Pastor and church family,

What a comforting promise to know that God is with us through each step of this life, and that He has promised to strengthen and uphold us. Throughout these past few weeks we have clung this promise and He has been faithful to fulfil it! These last two month had many challenges for our family, but God has seen us through each one.

In July, while we were away for a missions conference, a pipe leaked in our bathroom and flooded the back half of our home. God began working immediately, and within two weeks, the repairs were already complete! The insurance company was generous and easy to deal with and we know that is because we serve a great God!

Several days later, while we were in Maryland for meetings, our youngest son Landon fell and broke is arm in two places. We were initially told to expect surgery, but once again God was working behind the scenes. After being seen by a pediatric orthopedic surgeon near home, we were told that due to his age, his arm would most likely straighten out over time, and he would not need surgery! Now, almost five weeks later, Landon is doing great, and just received an excellent report from the doctor! Through this whole process, he has been a trooper and the Lord has allowed us to make it to every meeting we had scheduled!

This summer has brought many opportunities to share our burden with churches from New York, all the way down to Florida. We are currently in the Buffalo, New York area and will be here for the next two weeks. We are praising the Lord for several new supporting churches which brings our committed support level to around 37%. We are also praising the Lord for opportunities to share Christ with people we encounter all across the country. Recently, during a hotel stay in Tennessee, Jacob had the opportunity to witness to several Hispanic men. It is neat to see how God is already bringing Spanish speaking people across our path, before we even reach Bolivia.

Answered Prayer:

- Cleanup and repairs completed after flooding
- Good report on Landon's arm
- New supporters

Prayer Requests:

- Continued healing for Landon
- Safety while traveling
- Meetings for 2019
