

January/February 2019

Dear Prayer Partners and Supporters,

We trust that you have all had a great start to your new year and that God is working in and through your ministries as He is in ours! We have been very busy traveling this year and have driven over 6,000 miles during the past two months! We are so thankful for the new churches that God has led to partner with us and we're excited to share that we are now over 60% supported. God has been so faithful in supplying our needs, and we are looking forward to all that He will do throughout the rest of this year.

Another exciting update that we would like to share with you all, is that we are expecting our third child in August! God has been so good to our family and this new addition is just one example of His blessings in our lives. The boys are both very excited and they are anxiously awaiting the arrival of their new brother or sister. Please keep Shera and the baby in your prayers and pray that all will go smoothly with the pregnancy.

We are reminded daily that the close of our deputation trail is approaching quickly. Our calendar is almost full for the year, and there are only a handful of meetings left to fill. Please pray that God opens the right doors, as we desire to be at 100% by the end of the year. These past two months have flown by and we are already beginning to consider our many "to-do's" concerning our move to the field. It is such an exciting thought that we are finally less than a year away from arriving in Bolivia.
