

**March / April 2019**

**Dear Prayer Partners and Supporters,**

It is hard to believe how quickly this year is passing by! These past two months have been busy, and we are excited to report that we are now over 70% supported! God continues to answer our prayers and we are still staying on track to leave at the beginning of 2020. These past few weeks have been unique in that we have had the opportunity to be in conferences close to our home base in Chesapeake, Virginia. This has allowed us to get many things accomplished as we prepare for the upcoming move to Bolivia.

This past month, we had the 20-week ultrasound to check up our new little one, and we found out that we will be adding another boy to our family! We are so thankful for a healthy baby and pregnancy so far, and we're looking forward to meeting this little guy in August. Please continue to keep Shera and the baby in your prayers as we travel and plan for his arrival.

As we look at our calendar for the upcoming month, we have meetings in five different states! Our travels will take us to North Carolina, Virginia, Maryland, Tennessee, and Illinois. Please pray for our safety on the road as we will travel several thousand more miles to share the ministry God has called us to in Bolivia.
