

THE MCKINNEY FAMILY

MISSIONARIES TO BOLIVIA SOUTH AMERICA

July / August 2019

Dear Prayer Partners and Supporters,

We are so thankful for all your prayers and support over the last two months! Many have sent emails, texts, and special gifts to let us know that they were praying for us and the arrival of our new baby.

Finally, he is here! Hudson Michael was born on August 15th, weighing 7lbs and 10 oz. Both mom and baby are doing well and after several weeks of recovery, we are ready to get back on the road for our fall meetings.

Now that Hudson has joined our family, we can begin working on our paperwork to get into Bolivia. There are many steps in this long process, and we are praying that they will go smoothly. We only have a few days at home scattered throughout the fall, and these will be our windows of time to try and complete all that we need to do.

August has been a slower month as far as meetings due to the anticipated arrival of our little man. Despite the lighter schedule, we gained several supporting churches, and we are just about 90% committed support! We are preparing for a busy fall and are excited to watch as God continues to supply the needed support. By our next letter at the beginning of November, we hope to be able to tell you that we have purchased our plane tickets for next year!

Please continue to pray for the political situation going on in Bolivia. Their upcoming elections will likely cause many problems as tensions and protests escalate. We ask you to pray that the country will settle down quickly, and that God will preserve religious freedom and democracy in Bolivia.
