

THE MCKINNEY FAMILY

MISSIONARIES TO BOLIVIA SOUTH AMERICA

September/October 2020

Dear Prayer Partners and Supporters,

We've had a lot going on here these past two months that we're excited to share with you! Last month, we attended our first church service since our arrival. We are now able to meet twice a week at the church plant where we are helping the Murray family. We are so grateful to finally be able to worship together in Bolivia.

Just after our last letter, our son Landon fell from his bike and broke his arm. We praise God for providing good medical care and that he is recovering wonderfully! Ryland has also had some ongoing dental problems which led to a small tumor that had to be removed this past week. He is also doing great and has recovered nicely.

We recently asked you to pray about God's leading in finding a vehicle to purchase. Several weeks ago, we unexpectedly had to return the car we were leasing. God graciously provided the perfect truck soon after, and we were able to use our vehicle fund to purchase it. Our truck has already been a great blessing! Last month, we were able to use it to transport Bibles that were shipped across Bolivia!

Many of you may remember us asking for prayer concerning Bolivia's election last year. The election resulted in protests and a country wide shut down due to the previous president being accused of voting fraud. This October, Bolivia was finally able to hold a new election to decide on their new president. The results were not what we had hoped for, but we are trusting that God knows what is best for Bolivia and that He will carry out His plan no matter who leads this country.

Your servants for Christ's sake,
