

THE MCKINNEY FAMILY

MISSIONARIES TO **BOLIVIA** SOUTH AMERICA

November / December 2021

Dear Prayer Partners and Supporters,

We hope you all had a wonderful Christmas and a great start to this new year. We were able to spend this holiday season with our families in the US, while taking care of several medical issues. We are so thankful that we had the opportunity to make sweet memories, and that God worked out the timing for us to be together at this time of year.

The first week of November, we made the move to Riberalta where we will be working with the Ellzey family to plant a church. The move had many challenges including a 20 hour drive on mostly dirt roads, car troubles, and even issues with the moving truck. We are thankful to have made it safely with little damage to our belongings! Before we left for the US, we were able to begin setting up our new rental house. There are several issues we will need to work through to make the house livable, but God has already started providing for some of those needs!

During our time in the US, the Ellzeys started a Bible study and have consistently had 20 people attending. It is so exciting to already see God laying the groundwork for opening services planned for March. We are currently taking care of some loose ends in Santa Cruz, and we hope to be back in Riberalta by the second week of January. We are so excited about this new chapter and all that God has planned for this work. Please pray concerning several drastic changes that the government here is enacting due to a recent rise in Covid cases. These changes could directly affect our family and ministry, but we're trusting that God has a plan for all that is going on.

Your servants for Christ's sake,

The McKinney Family
