

THE MCKINNEY FAMILY

MISSIONARIES TO BOLIVIA SOUTH AMERICA

January / February 2022

Dear Prayer Partners and Supporters,

We are happy to be writing this letter from our new home in Riberalta! Things have been moving along quickly since we arrived the second week of January. For several weeks now, we have been able to hold the Sunday Bible study at the new church property that the Lord allowed the Ellzey family to purchase in late December. The property has a small house, and we have been meeting under the large covered porch. We continue to have a faithful core group attending, and we're looking forward to our upcoming inguration service on March 6. There will be a special conference from March 2nd to the 5th leading up to the church's official first service. We have begun passing out invitations and hope to pass out 10,000 before the meeting starts.

We are praising the Lord that He has provided the funds for us to build an open air, metal structure on a concrete slab. It will be wonderful to have a place to accommodate this growing group of believers. This initial structure will eventually be able to be closed in and wil serve as the main church building. Please pray with us that this first phase of construction will be completed before our opening meetings. There have been several delays due to it being rainy season, and we are praying that the rain will hold off. After the opening services, we will begin a more normal church schedule with Sunday School classes and a mid week discipleship class. We can't wait to see all that God will do through these meetings and this new work!

This past month was the start of a new school year here in Bolivia. We had been prayerfully looking into sending our two older boys to school, and the Lord opened the door. This will be great for them to improve their language and to become more adapted to the culture. Their school is just 5 blocks from our house and so far, they have adjusted very well. Please keep them in prayer as this is a big adjustment.

Your servants for Christ's sake,
