MISSIONARIES TO **BOLIVIA** SOUTH AMERICA

May / June 2023

Dear Prayer Partners and Supporters,

After several months of traveling, we are happy to be back in Bolivia! Our time in the US was very profitable. We were able to get the documents we need to apply for our visas at the end of the year, as well as visit with several supporting churches. Most importantly, Hudson was able to have the eye surgery he needed. He had a smooth recovery, and his eyes have been doing really well! We are so thankful for all the prayers and special gifts that were sent during this whole process. Your love for our family has really encouraged us during this trying time! Since our stay was so short, we were only able to visit with a few churches. Our official furlough begins in the summer of next year, and we look forward to seeing many of you during that time.

Now that we are back in Bolivia, we are beginning to look for a home to rent in the city of Cochabamba. We took a short trip to this city of almost 1 million people back in April, and after much prayer, we believe that God is leading us to begin a work here. Pray with us as we continue searching not only for a place to live, but also a place for our future church plant. In this needy city there are many areas without a gospel preaching church. There will be quite a few changes for our family during this move as Cochabamba is located high in the Andes Mountains at about 8,400 ft. above sea level. The climate is much colder here, and the culture differs greatly from the areas where we have previously worked.

Once we secure a home in Cochabamba, we will head back to Riberalta to pack up our house. We will also be helping with a medical clinic that will be taking place at the church the last week of July. Please pray that through this outreach many are helped not only physically, but that lives are changed by the gospel.

Your servants for Christ's sake,

**The McKinney Family**
