

THE MCKINNEY FAMILY

MISSIONARIES TO **BOLIVIA** SOUTH AMERICA

July / August 2023

Dear Prayer Partners and Supporters,

This summer has been full of travel and transition for our family. We spent the first few weeks of July securing a home in Cochabamba, and we praise the Lord for providing a great house for our family to rent.

In mid-July, we traveled back to Riberalta to pack up our home. Before we left, we had the opportunity to assist a medical team from the US with a 4-day clinic. During those 4 days, we saw over 1,300 patients and each one heard a clear presentation of the gospel! Many people responded and accepted Christ as their Savior. During the clinic, we were also able to help a little boy named Pablo from a local children's home. Shera met his mother several months ago through her visits to the women's prison in Riberalta. Pablo has a medical condition that has left him unable to use one of his legs for many years. Several doctors are now in the process of trying to find some surgical options to meet this young man's needs. Pray with us that God will do great things in his heart and life.

The second week of August, we had our final service with the church in Riberalta. It was a sweet time of goodbyes as we shared memories from the past 2 years. Our hearts ached to leave them, but we rejoice in the things that God has done there. We are now safely in Cochabamba settling into our new home and city. There were several complications with our things arriving, but we are thankful that in the end it all made it. Please keep us in prayer as we continue to adjust to this new city to which God has called us to minister.

Your servants for Christ's sake,
The McKinney Family
