

THE MCKINNEY FAMILY

MISSIONARIES TO BOLIVIA SOUTH AMERICA

September / October 2023

Dear Prayer Partners and Supporters,

These past weeks have been busy setting up our home and learning about our new city. Unfortunately, our family has also dealt with quite a bit of sickness related to a parasitic infection, as well as asthma issues with Hudson. Thankfully, we are all doing much better as of the writing of this letter! In the midst of these challenges, we are grateful to have had several recent opportunities to serve. Jacob had the opportunity to help translate for a group of church leaders visiting from the U.S. that came to do a training workshop for some local seminary students and pastors. He was also able to fill in for a local national pastor that was out of town for several weeks. As we work to get settled in, it has been good to be able to help some local churches.

With our furlough coming up in about 7 months, we are praying about a place to serve while we finish the visa renewal process. Please pray with us that God's leading will be clear as to where He would have us minister for these next several months. We are also beginning to search for where God would have us to plant a future church. We know that God has a community of people ready and waiting to hear the gospel, and we are praying for God's leading on where to begin a new church plant when we return from furlough.

As we have mentioned in previous updates, mine, and Shera's visas, that will enable us to acquire permanent residency, are due for renewal at the end of the year. We have already started the process of gathering the necessary paperwork and are scheduled to submit everything next week! If all goes well, we should be approved by around the end of the year, and then we can begin working on our children's visas.

Your servants for Christ's sake,

The McKinney Family

Missionaries to Bolivia

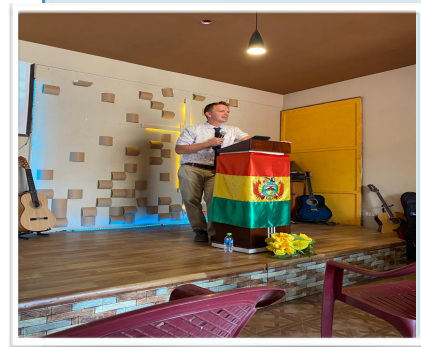

Prayer Requests

- God's leading in assisting a local church
- Visa Renewals

Praises

- Ministry opportunities
- Improved health
