Missionaries in **BOLIVIA** South America

May / June 2024

Dear Prayer Partners and Supporters,

The month of May was a busy month for our family. On May 2, we celebrated our 15th wedding anniversary. We praise God for walking with us through every up and down and helping grow our love for Him and each other during these last 15 years. The first weekend in May, Jacob was asked to be the guest speaker for a conference on Stewardship at a small work in our city. It was a great time of fellowship, and God blessed our time with Pastor Gustavo and their church family. After the conference, we got busy packing up our things and getting ready to leave for our furlough.

We arrived safely to the U.S. several weeks ago and have had time to start settling into our house here in Virginia. In June, we started traveling to visit several supporting churches. It has been a blessing to share all that God has done in Bolivia these past 4 years and we look forward to visiting with many more of you! Our calendar has filled up, and we will have the opportunity to share our ministry update with many of our supporters over the next year. We have already had to miss one meeting due to sickness, so please pray that God helps us to stay healthy as we travel and update our supporters.

Since we left Cochabamba, the work in Quillacollo has continued with the construction project. The outer wall and gates have been completed and the footers and columns have been poured. They are waiting for some additional paperwork, and then they should be able to put on the roof. We will continue to keep you updated on how things progress, but we are all happy with the progress.

This past week, Bolivia was all over world news for an attempted coup that took place. There has been some recent economic instability and with elections coming up next year, the country is getting tense. Please pray that God gives their leadership wisdom during these uncertain days ahead, and most of all that hearts stay open to the gospel.

Your servants for Christ's sake,
