December 2024

Dear Prayer Partners and Supporters,

First, we would like to wish you all a Merry Christmas! This season is such a wonderful time to reflect on the truth of the gospel and the reason we have hope for the coming year. We know that many of you have a busy December calendar with a lot of Christmas activities and outreaches. We will be praying that God blesses you all during this busy time as you reach out to your communities and spend time with family. We are extra thankful to be able to spend this Christmas here with our family in the States.

Our family has traveled extensively this fall. We have had meetings in 9 different states and have traveled several thousand miles since September. It has been good to visit with many of you and share all that God is doing in Bolivia. One of our favorite parts of traveling this fall was seeing all the colorful foliage while driving through the mountains of Virginia and Tennessee. In Bolivia, there is no true autumn, so it was really a treat to enjoy the changing of seasons again! As the cold sets in, our boys are having to readjust since it has been several years since they've experienced a real winter. Of course, we are all hoping to see a bit of snow this winter!

Over our years of serving in Bolivia, we have asked various times for prayers concerning Bolivia's political and economic state. We would like to ask you again for prayers in this area. In the past few months, inflation has increased dramatically, and Bolivians are suffering under the weight of these price increases. This, along with continued political instability, have led to a lot of unrest throughout the country. We know God is still in control, but Bolivia is headed down a difficult path and our hearts hurt for what seems to be coming. Please pray with us for the country and people of Bolivia.

Your servants for Christ's sake,
