

The MCKINNEY Family

Missionaries in **BOLIVIA** South America

July / August 2024

Dear Prayer Partners and Supporters,

We praise the Lord for his protection and provision these past few months of traveling. Since our last letter, we have traveled nearly 10,000 miles in our van. We have had meetings in Indiana, Illinois, South Dakota, Tennessee, North Carolina, and Virginia. This past weekend, we traveled up to Maryland for a Sunday morning meeting and then in the evening crossed over into Delaware for the evening service. We have enjoyed getting to see so many of you again and to be able to meet some new faces as well. It is humbling to hear how many of you read our letters and pray for us on a regular basis. You may never know the extent that your prayers have encouraged and sustained us through the ups and downs of ministry.

Outside of updating supporters, another big purpose for furlough is to allow time to reconnect with family and friends. Being away for the past four years has helped us learn to value time with our extended family. Several weeks ago, we celebrated Hudson's 5th birthday. This was his first birthday in the U.S. and the first time he was able to celebrate it with all of his cousins and grandparents. It is such a gift to be able to make these memories together during this furlough!

We wanted to let you all know that while we are back in the U.S. for furlough, that we will begin sending our prayer letter quarterly versus every other month. Since there is less to update about while we are stateside, our current plan is for our next prayer letter to go out in December. Of course, if you have any questions or would like to reach out to us personally before then, please feel free to send us an email. We love to hear from you and look forward to seeing many of you in person over the course of this year.

Your servants for Christ's sake,

The McKinney Family
