Missionaries in **BOLIVIA** South America

January / February 2026

Dear Prayer Partners and Supporters,

God has worked in so many wonderful ways since our last letter, and we have so much to share with you! At the end of December, we had the opportunity to attend the neighborhood Christmas party in the area where we are planting our church. We were able to address over 1,000 people in attendance and tell them about our upcoming services. We were also able to pass out invitations for our English class and kid's club. It was a great chance to meet people in the area and share our desire to be a light in their community.

In January, our rental property was finally turned over to us! Around that time, Jacob's sister, and brother-in-law as well as their five children came to visit! They were a huge help as we cleaned and completed several projects and fixes at the property! The whole month was filled with preparations for our first ministry opportunities. We started English classes and our Saturday kid's club in mid-January and have been having great turn outs for both! Around 20 kids are faithfully attending our kid's class and around 30 teens and adults our coming to the English class. We also began having Bible Studies on Sunday mornings and several from the neighborhood have been coming out.

Juan and Alba's family arrived in late January, and we are so thankful to see God's working and provision in their lives. They are still getting settled in but have already been a big help in the ministry! What a precious thing for us to watch God save someone, change their life, and then call them to go and share that same life changing hope with others! We feel so privileged to get a front row seat to this miraculous process.

We are now only days away from our opening service for Iglesia Bautista Biblica (Bible Baptist Church) on March 1st. We have a big day planned with free Bibles, a traditional salteña breakfast, and a clear gospel message. Please pray with us that God blesses our first service and that many will come to know Him as a result of this new work in the area of Lava Lava.

Your servants for Christ's sake,
