

The MCKINNEY Family

Missionaries in **BOLIVIA** South America

May / June 2026

Dear Prayer Partners and Supporters,

God has been blessing the new church plant, and our attendance has consistently been around 35-40 people each week. Since our last letter, we have had several events including a Mother's Day Tea and a special Friend Day service. We had several new families show up to each of these outreaches. Winter Break (It is winter here in the Southern Hemisphere) for schools in Bolivia begins the first week of July, and we are planning a basketball camp for kids ages 6-18. We are praying that through this camp, God will help us to meet some new families in the area. Later in July, God has opened the door for us to visit a large public elementary school only a few blocks from our church. We will be able to pass out school supplies and share the gospel with the children in their classrooms. There are many children there whose families have not been able to purchase their basic school supplies, and this will be a great way for us to show the love of God to our community. Please pray as we prepare for the incredible opportunity that God has given us to minister to these sweet children.

We are praising the Lord for the progress on our fundraising for the church van. So far, we have close to half of the needed \$25,000. Please continue praying for this need to be met in God's timing and that God will begin to prepare the hearts of those we hope to reach through this new ministry. Our goal is to be able to purchase the van before the end of the year so that we can quickly begin the new van routes.

In the past two months, Bolivia has been experiencing significant political problems which have led to violence and blockades all throughout the country. Several unions across Bolivia have been calling for the president's resignation and have used rock blocks between the major cities to apply pressure to the government. Unfortunately, this has led to food and gas shortages as well as several deaths due to the lack of medical care. The situation has been improving, but please pray as Bolivia continues to work through these complex problems.

Your servants for Christ's sake,

The McKinney Family

Missionaries to Bolivia

PRAYER REQUESTS

- Funds for Church Van
- Basketball Camp in July
- School outreach in August
- Bolivia's political problems

PRAISES

- Church Growth
- Open Doors for New Outreaches
