Dear Co-Laborers in Christ,

Psalm 46:10 Be still, and know that I am God: I will be exalted among the heathen, I will be exalted in the earth.

Greetings from the Island of Pohnpei!

Family: Our family has been doing well since our last prayer letter. Priscilla is doing well in second grade and is glad to be back with her friends. It is hard to believe that she will be eight years old in August. It was a blessing to have Nathaniel come visit with us during his Christmas break from college. He is doing very well in his first year at Northland Baptist Bible College. Aaron, his wife Lynn and our granddaughter Gabby are all doing well. Aaron and Lynn have rededicated their lives to the Lord, which was a wonderful blessing. Andrew continues to take college courses and is praying for God's direction in his life. Please pray for our boys as they continue to seek God's will for their lives. Also, please continue to pray for Aaron's physical condition.

Ministry: The Lord continues to wonderfully bless the ministry here on Pohnpei. I was given the opportunity to preach a revival at Calvary Christian Academy in January, where we saw four teens accept Christ as their personal Savior. Praise the Lord!! We continue to see souls saved in Wone and new families attend services on a weekly basis. The work is growing and maturing under Pastor Eliam's leadership. His and Linda's faithfulness to the Lord is a continual blessing to us. Please continue to pray for Pastor Eliam and Linda as they seek God's direction every day as they strive to serve the Lord and faithfully lead the flock at Wone Baptist Church.

There is so much to tell you concerning the work in Toamoaroalong. Mr. Barnabas, who allowed us to come into the village, died about a month ago. The title passed to his brother who is a strict Catholic. We were praying that God would keep the door open and He has! Praise the Lord! They have asked us to continue coming to have services. Also, this month along with our regular service, we will be starting a kid's club. We have a tremendous blessing to share with you. A few weeks ago someone approached us and has given us land in Toamoaroalong on which to build a church. We covet your prayers as we work out all the details. Also, please pray for our services in Toamoaroalong and for the kid's club that we will be starting. We continue to see souls saved here in this new work and new families attending every week. We desperately need your prayers for us as we embark on this next phase of ministry.

Mission Highlight: We have a very small stream of water behind our house. About a month ago, I had finished cleaning some fish and took the remains over to throw them in the stream. When I turned to walk away, I heard a lot of splashing in the water. I turned around and was startled to see several three to four foot-long eels fighting over the fish parts!

Thank you so much for your continued prayer and sacrificial giving. May God continue to bless each of you as you serve Him.
