Dear Co-Laborers in Christ,

Greetings from across the Pacific in the name of our Lord and Saviour Jesus Christ!

Psalm 8:1 O LORD our Lord, how excellent is thy name in all the earth! who hast set thy glory above the heavens.

We praise the Lord as He continues to bless the ministry here on Kauai. Since tourism is back in full swing we are seeing a lot of visitors in our services. Many say they have watched our live stream services and wanted to attend, while for some it's word of mouth that they have heard about our church. Either way we are thankful for an opportunity to minister to those who visit our island home.

I have been encouraged by a number of our folk who have been inviting and bringing local islanders to our services to hear the gospel. Please continue to pray for their faithfulness and that through this we will see souls saved. I'm also encouraged by the fact that many of those who attend our church have a desire to learn and study the Word of God. In addition to our Sunday and Wednesday services we have added a Saturday Bible study and we are seeing a good attendance for that.

Kauai is known as the "Garden Isle of the Pacific", but even with all its outward beauty there is a darkness that lies within. Please pray for those whose eyes have been blinded to the gospel that they may be opened to the truth of the gospel!!

I wanted to ask for special prayer for our son, Aaron. His health continues to decline and it seems like the years have taken a toll on his body. He is unable to eat again to maintain his nutrition and has been placed on TPN/LIPIDS 18 hours a day which he receives through a machine that he carries in a backpack which is fed through his artery. I know that he and his wife, Ellie would appreciate all your prayers during this time.

Additional Prayer:

Pray for my mom and dad who are 85 now, but having a lot of health issues. My mom had a bad fall and has been in the hospital and rehab now for over a month. I know dad misses her and would appreciate your prayers during this time

My sister, Jeanette who found out about two months ago that she has to have a stem cell transplant. Please pray for her as they get this together. I have been experiencing a fast heart rate and they have determined I need to have a heart ablation which is scheduled for October 31<sup>st</sup>.

Thank you for your continued faithful prayers and sacrificial giving that allows us to minister where God has called us!!

Serving Christ on Kauai,  
Brother George, Patty and Priscilla
