Dear Co-Laborers in Christ,

Psalm 107:1 O give thanks unto the Lord, for he is good: for his mercy endureth for ever.

I want to apologize that it's taken so long to send out my prayer letter. I became really sick with a double hernia at the end of April and for most of May, June, and July. It was difficult just to be able stand to preach on Sundays or to function on a daily basis from being so nauseated and the pain. The surgical department was finally able to work me in for surgery on July 22<sup>nd</sup>. Praise the Lord that everything went well during the three-month recovery period. Also, on August 5<sup>th</sup> my dad passed away. He served the Lord faithfully for over 50 years in evangelism, pastoring, and nursing home ministry. What a great testimony he was to everyone that knew him. I praise the Lord for the example and encouragement he was in my life and ministry.

We praise the Lord for the continued fruit that we see from the labor in the field. There seems to be a sweet spirit in the church among the people with a desire and hunger for the Word of God. I thank the Lord for the growth in our folks and for the visitors that have been attending from the village of Kilauea. Yes, there is beauty in the islands that God created, but there is a spiritual darkness through the island that involves New Age/mysticism as well as deity worship in the Hawaiian culture which involves a vast number of gods, goddesses, and ancestral spirits.

Please continue to pray for Patty as her Rheumatoid arthritis that is now affecting both her hips. Also, continue to pray for our son Aaron who is still bed bound from being paralyzed from the waist down and other physical complications he is experiencing. Continue to pray for the gospel to spread through the islands and for souls to be saved!

It's a joy and a blessing that God has allowed us to serve in the islands of the Pacific all these years. Without you this could not be possible, because of your faithful prayers and financial support we are able to continue ministering to the lost islanders in the Pacific! We count it an honor to represent each of you in ministering to these lost souls with the good news of the gospel.
