

STEPHEN & JENIFER
MINION
MISSIONARIES TO BRAZIL

Greetings!

February 2024

February marks our first month on full-time deputation! It's a thrill to be moving forward and closer to Brazil. January took us to two great meetings in northern Virginia and central South Carolina as well as closed out my time on staff at our church.

At this point, we have presented in 12 meetings and have 55 scheduled. Our 2024 calendar is close to filled, and we are scheduling into 2025. Two more partners began support, and we have almost 9% of our needed support coming in. Praise the Lord! We're amazed and thankful to see how the Lord is providing.

It's been great to see the Lord working in the meetings. In one meeting while sharing a testimony, I mentioned struggling as a teen with assurance of salvation. After the service, a man told me how he too struggled with assurance, and it was great to see him be encouraged through the Scripture that helped me. In another meeting, the pastor expressed that he believed the Lord used the message in a specific way in the church family.

Thank you for praying for our transition at the end of January. Our church gave us a sweet send-off with tears shed and many kind words said. We will greatly miss our church family in these days ahead!

We've seen and felt the Lord's grace for our girls. They have been adjusting well and are always excited to meet new friends at each church we visit. Thank you for praying our family!

Jesus is worthy!

Love,
The Minions
