MINION
MISSIONARIES TO BRAZIL

Greetings!

April 2024

Lamentations 3:23 tells us that God's mercies are "new every morning." We've seen His mercy to us and agree with Jeremiah: great is God's faithfulness. Our first two months traveling full-time were filled with 17 meetings all the way from Indiana to Florida to Connecticut. At times, it's felt overwhelming to consider all the miles and meetings. But the Lord has been teaching me to take each day as it comes, because His mercies are new every morning. He supplies the strength and grace we need for today, and when the next day comes, He's there again. Praise the Lord for His great grace!

One praise is that we were able to purchase a new van for deputation! We bought it from a car dealer who had a 90-day warranty on their vehicles. So, I've been praying that any issues would crop up in the first 90 days - and the Lord has been answering that prayer! The van has been to the shop twice now. They have taken care of preventative maintenance and repairs that otherwise would have cost us several thousand out of pocket! We are also thankful the Lord has kept our older van running well on this last month-long trip away from home.

We've seen the Lord faithfully provide for our needs along the way. God's people have been so kind and generous, and we are now at 11% support. Our 2024 calendar is about maxed out with meetings and 2025 is beginning to fill. Please pray for wisdom in scheduling 2025 - we want to make full advantage of the short time we have on deputation.

Thank you for your prayers for us! We've seen people encouraged and God working in lives. To God be the glory.

*Love,
The Minions*
