**MINION**  
**MISSIONARIES TO BRAZIL**

Greetings!

May 2024

Thank you for your prayers and support! We had a great April with a number of good meetings. It's exciting that after three months of traveling, we have 23% of our support committed! God has blessed, and we're happy to see Him lead us.

- We were blessed to spend Easter with family in PA. The sunrise service was a special treat to gather with fellow believers in the chilly weather. We sang and remembered of great hope we have because Christ arose and conquered death!
- The week after Easter, our mission board held its annual Family Fellowship Week. We spent four amazing days spending time with the office staff, other missionary families, and pastors. We were so encouraged by the fellowship of other servants of God, inspired by the lives of veteran missionaries, and challenged to continue in Truth.
- Our schedule was slightly rearranged, freeing up a Sunday morning. We traveled about an hour to visit and thank a church that has supported Jenifer's parents in Brazil for many years. We were delighted to see how the Lord has been blessing and growing the church!

- We are excited to see how the Lord is working all over the States. We've had meetings in 30 churches so far. Each one is in its own stage: one beginning, several restarting, and many established and moving forward. It's so encouraging to know that God is not done with us or our country, and that many believers are serving God faithfully and reaching out to their communities.

We appreciate your prayers for our family and ministry! May the Lord bless you.

*Love,  
The Minions*
