

STEPHEN & JENIFER
MINION
MISSIONARIES TO BRAZIL

Greetings!

June 2024

Thank you all for your support and prayer!

- This month, it was encouraging to be in several services where the churches voted on the spot to take our family on for support. One of the churches surprised us: before I officially presented our ministry, they voted to support all the missionaries at the conference! And we weren't going to argue!
- It was special for us to be part of the high school graduation of a young lady who was part of our youth group. We loved the opportunity to minister to many great Christian young people. And we are so glad to see these young people go on to serve the Lord!
- One special treat this month was a visit to Jenifer's grandparents. Her grandpa spent decades in Brazil as a missionary. We talked about ministry and life in Brazil. They are still serving the Lord - we accompanied them to visit a nursing home to sing and play for the residents there. It is so good to have an example of serving God for a lifetime.

- Newfoundland, Canada is both the closest and the furthest we've traveled for a deputation meeting. They were so kind to invite us to present our ministry over a video call. And we could do it from our own home!

It brings us much confidence to know that many are praying to God on our behalf. Thank you!!

*Love,
The Minions*
