MISSIONARIES TO BRAZIL

Greetings!

July 2024

Happy 4th of July to you. Thank you for your prayers and for your emails and texts. It is so encouraging to hear from you!

- Thank you to each who prayed for the juniors at camp! We were blessed to be the missionaries at a summer camp put on by several local churches in Iowa. Evangelist Caleb Reed spoke every morning and evening, and another Bible teacher taught some sessions as well. I spoke four times to the young people about missions and emphasized the need for them to surrender their lives to God. The Lord led Brother Reed to preach on surrender one evening. By the end of the week, several young people surrendered their lives to God! To see God working is wonderful!
- Several of the churches we have visited are pastored by friends from college. It is so encouraging to see classmates we knew ten years ago in college who are serving the Lord today in the ministry. We praise God for their faithfulness and allowing God to accomplish His will in their lives!

- For the first time since starting in February, we were able to be home for more than a week this month! It was great to sleep in our own beds and to worship with our home church on a Sunday. We spent several days holding a yard sale to deal with some of our household items we won't be taking to Brazil.
- Praise the Lord for 6 more churches who committed this month to partner with us! We are now over 1/3 of the way supported.

*Love,*
