

STEPHEN & JENIFER
MINION
MISSIONARIES TO BRAZIL

Greetings!

October 2024

- Thank you for your constant prayers for us! It means so much that you are standing with us as we seek to spread the Gospel in Brazil. We have enjoyed several missions conferences and other meetings. Our travels took us through Ohio, South Carolina, Virginia, North Carolina, and Pennsylvania. Another church contacted us about their support this month, and our support level is now at 48%. Our 2025 schedule is filling out nicely.
- We've seen the Lord's protection and care in several ways this past month. Though saddened by the destruction caused by Hurricane Helene, we are grateful that God sheltered us from devastation. Our home in Shelby, NC, is about an hour east of the disaster areas in the mountains. We were attending a conference in Pennsylvania when the storm hit, and we are thankful that God kept us safe. At home, we only lost two trees and sustained minor damage to the house. I returned home for a few days to make repairs while Jenifer and the girls stayed with family.

Our pastor and several other men from our sending church were a great blessing. They cleared the tree off our roof and helped repair the damage to the roof. The Lord so orchestrated the timing that we did not have to cancel any meetings.

- Earlier in September, one of our van tires suddenly blew out. We safely pulled over, installed the spare, drove eight minutes to the tire shop, and had it replaced within an hour. God is so good!
- Thank you for your support in prayers, finances, and encouragement!

Love,
The Minions
