

STEPHEN & JENIFER
MINION
MISSIONARIES TO BRAZIL

Greetings!

January 2025

- Thank you for your prayers for us!
- As I reflect on 2024, I am amazed and humbled by God's goodness. We began this chapter of deputation part time in September 2023 and started full time 10 months ago, and we've seen God's hand of protection and care for us all along the way. We drove over 37,000 miles last year, not from sea to shining sea, but it sure felt like it at times! But, we had no accidents or major breakdowns. We began 2024 with 9% of our support, and we ended the year with 57%! Praise the Lord! We have been encouraged by meeting thousands of believers who are serving the Lord in dozens of churches.
- Please pray for wisdom as we fill out our meeting schedule for this year and as we make plans for packing and moving to Brazil. Our tentative plan is to finish meetings in mid-November and move in January of next year.

- Last month, we enjoyed a slower pace with only two meetings. After spending almost all of October and November away, we have really enjoyed being home for most of the month. We celebrated Christmas with family and spent time catching up with our church family and friends.
- We are back on the road this Sunday, then heading to Aruba for a missions conference this month. We'll be with missionary Matt Shields and his family for the last two and a half weeks of January to preach in their missions conference and assist in various ministries. Please pray that the Lord blesses the trip with spiritual fruit and safety.

Love,
The Minions
