**MINION**  
MISSIONARIES TO BRAZIL

Greetings!

February 2025

- We are grateful for you all standing behind us as we continue on deputation.
- We've received notice that several more churches have begun support! It's always a great blessing, and we rejoice every time at the news. Our support level is now at 65%.
- We had a wonderful time on our trip to Aruba. The Lord blessed with smooth flights there and back. We spent 17 days with missionaries Matt and Naomi Shields, who have ministered on the island for ten years. Brother Matt currently pastors three church groups, one in Spanish, one in English, and holds bi-lingual services on the other end of the island at their newest mission. The church people were so gracious and welcoming. Most of the folks in Aruba speak multiple languages, and it was fun to practice Spanish and learn a few words in Dutch and Papiamentu. I preached for their missions conference, presented our ministry, and preached in the regular church services. In addition, Jenifer spoke at a ladies meeting, and we spoke on their radio station several times.

- As it is in so many places, we saw the need for more laborers on the mission field of Aruba. We are grateful that we could visit and see the ministry in this context. Please pray for Aruba and the Shields family.
- As we continue in meetings, please pray for continued health. This time last year, the girls were getting sick every couple weeks in meetings. I believe that God answered your prayers last fall as we traveled all fall without illness. We ask for those prayers again during this season.

- Thank you for your support and prayers for us!
