MISSIONARIES TO BRAZIL

Greetings!

April 2025

- Thank you so much for praying for us! It's only by God's grace that we can serve Him faithfully.
- Our March was busy with missions conferences every week. We were humbled and amazed to see the kindness and generosity of God's people in support of the Gospel's growth. At one of the meetings, there were three other missionary families, each of whom we had been with before at various other meetings. It was special to reconnect with them and see how the Lord is blessing them. Between conferences, we traveled quite a bit – North Carolina, Florida, New Jersey, and New York. Several of the drives this month were longer than usual, yet the children are becoming good travelers, and they surprised us a few times with their resilience! Thank you for your prayers for them as they are along for the ride.
- Many pastors I've talked to mention how few missionaries are heading to the field. Praise the Lord for each one going! But the laborers are certainly few. I think this is a reason deputation is moving fairly quickly for us: there is an overall lack of missionaries on deputation compared with the level of giving in local churches. Please pray for the Lord to send more laborers into His harvest field.
- We are looking forward to our mission board's Family Fellowship Week this month. It will be a wonderful time of fellowship and refreshment with other missionaries and pastors. We'd love your prayers as we continue with more meetings in April. Our support level is now 72%, and we are praising the Lord for it! Thank you for your support and prayers.
