MISSIONARIES TO BRAZIL

Greetings,

March 2026

- Happy Resurrection Day! I hope you have a wonderful day celebrating that our Jesus is alive.
- The last two months we have been in Brazil were a whirlwind of activity. Praise the Lord for all the documents and paperwork that are now completed!
  - Stephen is awaiting formal notification that his visa is "regularized," meaning that it is approved in country.
  - The Lord provided a great vehicle for our family at a car lot in town.
  - We also found a rental house that exceeded our expectations! We are grateful for the provision of a spacious place to call home this year, and the kids are grateful have a backyard to play.
  - We're glad that our house in NC sold. The first buyer canceled their offer, but a week later, the Lord brought another buyer. It took an extra month, then the sale went through without issue.
- Language studies are going well. Stephen has class in the mornings, and two days a week, the girls love learning Portuguese with a tutor. I'm amazed how the Lord is helping me to understand and communicate some already.
- In April, the church here is having a Fall Campaign: a month of evangelism emphasis. I will be preaching one Sunday. I'll be speaking with a translator - mostly because I'm not sermon-ready in Portuguese, and partly because I'm a foreigner. :-) And apparently that might be an attraction for the younger generation here. Please pray for many visitors and for power in preaching.
- Please keep praying for our shipping container to arrive. The arrival date was bumped into May by the logistics company. For the time being, we are living with minimal furniture and out of suitcases.
- Thank you for praying and supporting us. Your faithfulness causes us to rejoice in the Lord!

*Love,*

Buying some jackfruit at the farmer's market. It wasn't an immediate favorite. :-)

Thankful for a good car - a 2013 Toyota Rav 4.

In the missions conference here, we helped represent Mexico. May the Lord raise up more laborers to serve in His field there!

Thank you to the several churches who sent gifts specifically for the girls. We bought the materials with the offerings and made them their own swing set!

Our house in Taubaté. The next month will be busy with making it our new home.
