Dear Friends,

We have completed another year in our Church planting work here in Halifax Nova Scotia.

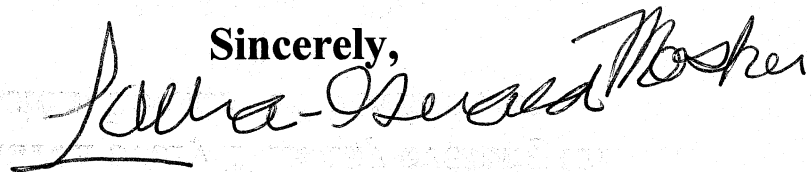

We have been here for a Sunday morning every Sunday of the year, and Sunday evening for the first nine months of the year. We have also met here at the Church every Tuesday evening for Bible study and prayer. On occasion, because of weather, or sickness no one has ome.

We have continued our ministry to the Nursing Homes: visiting one every week, another on occasion, and holding services one on the first Tuesday and another on the fourth Tuesday of each month. We have a service in Dartmouth every six weeks and visit Windsor about every two months.

We have continued to visit the houses and apartments here in Halifax. We filled twenty pages with notes on our visits this year. That is more than we did last year.

For more personal details, please see our letter to supporting churches to follow shortly.

Sincerely,

Laura and Gerald Mosher
