Dear Friends,

As we await our Lord's return, we want to be found faithful to Him. Thank you for all of your help, and for holding us up in prayer.

Please continue to pray for us as we go through difficult times. Kerry, the lady who was baptized last October, has disappeared. Soon after she moved, we saw her less and less. We were told that she was Bi-Polar. She told us that she was going to get help. It would appear that she needs a great deal of help now.

We have a man just like her. Recently, he came to church twice. He had big plans how he would help us here. We have not seen him for a while.

A man and woman living together came to services two or three times. He landed in jail. We visited her, and bought her food. She had a mental problem. She died in another apartment building of a drug over dose.

However, the fellow is out of jail. Laura and I visited him and gave him the Gospel. He was out on Sunday and heard the Gospel again. Some seem to be so hardened. We had a lady out to Bible study. She has been free from alcohol for two years. She has just left an abusive situation

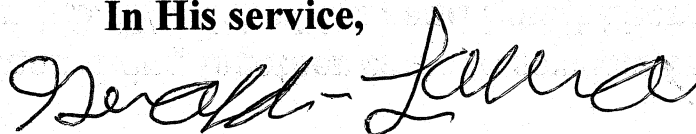

On Sunday we had a young man out from Korea.

We praise the Lord for how he has supplied our needs. With the changing Canadian dollar, it means a difference of several hundred dollars when we cash our American funds.

"He abideth faithful"

May the Lord continue to bless you all.

In His service,

Gerald and Laura Mosher
