Dear Praying Friends,

One time 2000 seemed far away, and now here we are into 2010,
Thank you for your prayers and financial support.

Danny and Nancy came for a service early in December.
After the service they asked if I had plans for New Year's day, as
they wanted to be married. I told them we could talk about it.
We have not seen them since. It reminded us of a couple who
were on their way home from the Legion on a Saturday night, who
woke us at mid-night, wishing to be married.

We had four folk out to our Song Night in December,
who had not been out before; A man who drives our car, a lady
with whom we talked on her deck, and a couple invited by Laura.

We are praising the Lord for one couple who have been coming
faithsully for the past few weeks to both Thursday and Sunday
meetings. Another couple who had been quite regularly at Sunday
meeting, now join us on Thursday.

In the hospital, there in Windsor, on December 23, I said a final
good-bye to an old friend; 88 years old. We had a lot of little
meetings in her home, and a lot of big meals around her table.

We were delayed by storm in getting up to the Windsor area
with our key-board, but we visited several homes on the 29th. Please
pray for two sisters: Goldie and Margaret.

We have been invited to another Nursing Home, number 5, for
Bible study once a month, plus a Sunday service. They only have
Sunday mass now.

Thank you again for your cards and gifts. If we have not
answered, it may be that there is a delay. Sometimes mail comes in
one week, sometimes two months.

May the Lord wonderfully bless in the days ahead,

Gerald and Laura Mosher
