Dear Friends,

May- June 2011

We have just remembered Canada Day, which used to be called Dominion Day. One of the Fathers of Confederation Samuel Tilley, had been reading Psalm 72, HE SHALL HAVE DOMINION FROM SEA TO SEA, and suggested Dominion of Canada. We see so much of that here, re-writing history, as so many want to re-write the Bible.

A lady from high school days, visited our Sunday morning service and stayed for lunch. As I saw her to the bus, she told me that she was taking to heart what she had heard from the Word.

As I went from door to door last week, a lady who had been missing two or three years, and for whom I had sought, met me on the street. She is back in our area, and said she would be back to church.

I talked with a Roman Catholic by the road-side. He was out Sunday night and heard the Gospel as Paul presents it in Romans. We talked with him afterwards, and have an appointment with him later in the week. He indicated that he would come next Sunday, were he in the city. He seems to be seeking. Please pray for Josh.

Please pray for Mona; her brother Clifford is in bad condition in hospital. Pray that the Lord will meet his need. He is in New Brunswick.

We have more coming out for our Prayer and Bible Study. We have had six first-timers on Sunday Night: two last Sunday, and two this past Sunday, and another in time for the last hymn. They came for 7.00, instead of 6.00.

We were pleased to sponsor a young couple from the west coast, who feel the Lord is leading them to Nova Scotia. We lined up several churches, It seems that a door is open to them to return after the arrival of their second baby. Russell is just one year old, and we had lots of fun with our toys.

**We are excited about the Summer, so please continue to pray.
There is a good response to the Word in the nursing homes
Thank you for your support.**

Yours in Christ

Gerald and Laura Mosher
