

World Wide New Testament Baptist Missions

assisting churches since 1971

December 3, 2020

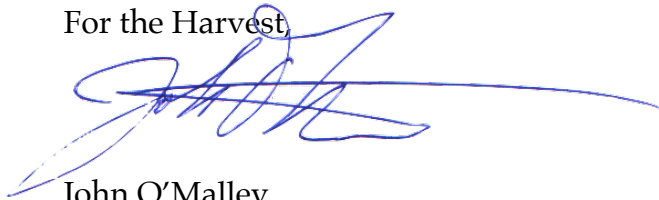

Dear friend and supporter of Gerald & Marie Mosher,

Thank you for investing in the Moshers and their ministry through your prayers and financial donations. World Wide is grateful to have partnered with the Moshers since 1987.

You have graciously continued sending support and gifts through transitions in the Moshers' ministry the last few years. This has blessed them immensely. I recently spoke with Bro. Mosher, who indicated his desire to move to Indiana to be closer to his wife's family. As a result, he has requested to no longer receive funds through WWNTBM. We wish them well in their retirement, and trust the LORD will continue to bless their future.

Thank you for your generosity. We are privileged to have served you in the cause of world evangelism.

For the Harvest,

John O'Malley
President
