

SCOTT & MARILEE *Norman* SERVANTS HELPING IN THE MINISTRY

July - August 2019

**“Great is the
Lord, and greatly to
be praised...” Psalm 48:1a**

While we are sorry that this letter comes to you much later than usual, we are praising God for the reason it is late. As you can see, our prayer letter has taken on a new look, and we praise God for how wonderful this new letterhead looks. We hope this will be a blessing to you in the future. On September 2, we had the privilege of visiting Calvary Baptist Church in Tunnel Hill, Georgia and were introduced to their printing ministry, Calvary Stand. Brother Bill Goins runs the printing ministry, and we have partnered with them with regards to all our printing needs. So beginning with this prayer letter, all of our letters will be printed and sent out by the printing ministry of Calvary Baptist Church. Great is the Lord and greatly to be praised.

The summer months have been slow, but God blessed in some wonderful ways. On July 7, we had the privilege of being at Grace Bible Baptist Church in Knoxville, Tennessee for the morning services and then at Ridgeview Baptist Church in Walland, Tennessee Sunday night. What a blessing to meet and fellowship with God's people and see God's remnant faithfully serving Him. Ridgeview has since taken us on for support. Great is the Lord, and greatly to be praised.

Because we had no scheduled meetings the rest of July, we spent our Sundays dropping in and visiting churches, and some of those have indicated they would like us to come back and present our work.

August was a busy month. What a blessing to have been able to be in all of the services of the Trinity Baptist Annual Camp Meeting during the first week in August. On August 11 & 14, we had the privilege of once again being at

Fellowship Baptist Church in Williamston, NC, and helping these dear folks as they continue to search for a pastor. Pray for them. From August 16-18, we visited with fellow missionaries Roger and Liz Workman. They were home on a much needed furlough after recovering from the most devastating storm in Saipan's and Tinian's history.

God is to be greatly praised for what He allowed us to accomplish on August 19. We were able to do the preliminary work on our new video presentation. We praise God because the video was finished and given to us on August 31. We then traveled to Pennsylvania and visited Dry Run Independent Baptist Church, one of our first supporting churches. We then had the opportunity to present our work to Riggles Gap Bible Church on Wednesday, August 21, and what a blessing to be with these dear people in Altoona, Pennsylvania.

We spent the last two weeks of August visiting our oldest daughter in New Jersey (New York City) and our youngest son in Boston. While in Boston, we had the joy of seeing our seven month old grandson for the first time since he was born. It was a good visit.

Please pray for us as we travel. September is a full month and every Sunday is filled with scheduled meetings. We returned to Still Water Baptist Church (London, KY) on September 1, and presented our work and preached in the AM services. That Sunday night we had the opportunity to return to Ridgeview Baptist Church in Walland, TN where I had been invited to preach. PLEASE PRAY that God would open the doors and help us to set up meetings in October, November, and December. We want so very much for our months to be filled with deputation opportunities. Pray that we will raise our needed support soon. Our prayer is that we will be able to go to our first field in one year.
