

SERVANTS HELPING IN THE MINISTRY

April, 2022

**"But my God shall
supply all your need
according to his riches in glory
by Christ Jesus."
Philippians 4:19**

We often quote this verse out of its context and somehow think that the supplying of our needs is simply automatic. The context makes it clear that God supplies our needs when we obediently and cheerfully give to Him and His work. Regardless of the economic downturn, regardless of the economic meltdown, and regardless of the awful times in which we live, God expects us to give and to give sacrificially. I share this because we are rejoicing today in how God has indeed supplied our needs over the past month. We are praising Him for those of you that have given and for those who have just started giving. Our support level is now at 83%, and we are happy to report that four areas of support have come our way. We want to thank Family Baptist Church in Guam and Welch Creek Baptist Church in Walterboro, SC for taking us on for support during April. We are also thankful for two families who took us on for support during the month. It is exciting to see God's Word in action, and we so appreciate those who have encouraged us with their financial support.

We began the month (April 2-3) in northern Georgia, where we had the privilege of visiting Calvary Baptist Church in Tunnel Hill, GA on Sunday morning. Calvary houses the Calvary Stand Printing ministry that prints our prayer letters. What a joy it was to see the new presses and watch them churn out material for the glory God. We will be returning to Calvary on August 14 to preach and present our ministry of helps. On Sunday night we presented our work to Believers Baptist Church in Ringgold, GA. We thank Pastor Ed Killian for giving us the opportunity.

During the week of April 11-15, we had the pleasure of attending World Wide New Testament Baptist Mission's Family Week in Asheboro, NC. What a blessing it was to fellowship with fellow missionaries, and to come under the sound of some great preaching. It was a week of refreshment and recreation. Marilee and I even got to do the zip line and some kayaking while there.

What a blessing it was to be in Walterboro, SC, April 17-20, for the annual Low Country Baptist Fellowship Camp Meeting at Welch Creek Baptist Church. I had the opportunity to present our ministry on Sunday night, and Welch Creek took us on for support that very night. Praise the Lord for supplying our need. The preaching was outstanding, and the music was soul-stirring. What a blessed week of revival it was.

On April 20, I had the honor of preaching at Community Baptist Church in Lodge, SC. Community is one of our supporting churches, and I thank Pastor Jonathan Mixson for giving me the opportunity to preach to his dear congregation.

We ended the month (April 27-May 1) in Muncie, IN, where we participated in a mission's revival hosted by Liberty Baptist Church. While there, I was able to present our work and share our missionary burden to a very receptive group of people. It was a blessing to meet new missionaries and make new friends. We thank Pastor Andy Phipps (see picture) for hosting this mission's revival and for giving us the opportunity to share our burden. Again the preaching was outstanding and God worked a good work during this wonderful week.

God has richly blessed us, and we are grateful for His provisions to us. It has been a good month, and He has indeed supplied all our need according to His riches in glory by Christ Jesus. He has kept us healthy, and He has kept us safe.

We continue to have Tinian on our hearts and minds and the burden to be there grows with each and every passing day. Again we are scheduled to leave on September 20 and will be gone for almost a year. It will be a joy to relieve missionaries Roger and Elizabeth Workman.

Continue to pray for us. We have meetings scheduled in May in Ohio, and during the months of June and July we will be filling the pulpit at Concord Bible Church while Pastor Tom Sandquist recovers from his recent spinal surgery. Your prayers and support are appreciated, and we thank God for each and every one of you!!

Sincerely In Christ,
Scott and Marilee Norman
