

SERVANTS HELPING IN THE MINISTRY

July, 2022

*"Help me, O Lord  
my God: O save me  
according to thy mercy: that they  
may know that this is thy hand; that thou, Lord  
hast done it." Psalm 109:26-27*

Once again I share a verse from which our pastor preached on a Wednesday night in July. As I write this prayer letter, I want you to know that everything that is happening in our lives is a result of GOD DOING IT. When David says "that they may know," he is talking about his enemies. He is talking about the ungodly around us and the wicked world in which we find ourselves. I want the world to know and I especially want you to know what God has done. I am excited to proclaim to you that it is His hand that is upon us; it is His hand that is guiding us; it is His hand that is bringing everything to pass. As you read this prayer letter and as you pray for us, know of a certainty that we claim NO credit. To God be the glory! Whatever has happened, whatever is happening, whatever has been done GOD ALMIGHTY HAS DONE IT!!

Let me begin by saying thank you for your prayers. With all that has happened in July, your prayers have been most evident.

One important thing is that our schedule has changed with regards to our upcoming relief mission to Tinian. I have mentioned in previous letters that our flight schedules continue to be changed, and this has created quite a challenge. Our last change in flight itinerary has forced us to move our departure time up a day. We are now scheduled to leave the States on September 19. Again we will have to overnight (20 hours) in Korea but must stay at the airport. Pray that a vacancy will open up at the Transit Hotel located within the Incheon Korea Airport. From Korea we fly to Guam and will have to overnight in Guam as well. Praise God! Family Baptist Church in Guam will be finding us a place to stay and providing to us their church van. GOD DID THAT!! We fly from Guam to Saipan, and our plans are to stay in Saipan for five days. This will give us opportunity to visit and spend time with the many folks we ministered to for twenty years. We will also have opportunity to see old friends and get reacquainted with island life. We will arrive in Tinian on September 27.

Praise the Lord; great things **He** hath done! During the month of July, Fellowship Baptist Church in Clayton, NC took us on for support. We thank Pastor Jon Jenkins and the folks at Fellowship for their sacrifice of love. As we write this prayer letter, we have just heard from Calvary Baptist Church in Havelock, NC, and they too have taken us on for support. We thank Pastor Joe Moody and the folks at Calvary for their kindness. We are happy to report that our support level is now just a tad shy of 90%. We praise God for what **He** continues to do.

During the month of July, God allowed me the privilege of teaching Sunday school twice at Trinity Baptist Church, our home church. I also was able to preach for our pastor while he was away on Sunday night, July 24. What a blessing it is to practically demonstrate our ministry of helps by helping my home church!

On Sunday morning, July 24, I was able to help Pastor Brian Alphin, pastor of Lighthouse Baptist Church in Washington, NC. Pastor Alphin was on vacation, and I thank God that I was available to fill the pulpit for him while he enjoyed some needed down time with his dear family.

We had the privilege of returning to Calvary Baptist Church in Havelock, NC on Wednesday, July 27. Pastor Joe Moody asked me to preach one more time to his dear people as they are praying about taking us on for support (Praise God they have- -see above). It was a blessing to be with these dear folk and to once again minister to them.

During all the days and weeks in between, we have begun the arduous task of getting ready to make our trip to Tinian on September 19. Airline issues, packing, shipping, and just the normal challenges of getting ready to travel have begun to occupy our time. Pray for us as we still have some meetings scheduled in August and look forward to being a blessing to those churches in which we will be ministering. Pray for us as we prepare to relieve missionaries Roger and Elizabeth Workman.

Again and as always, we thank you for your prayers and support. It encourages us when we hear from you and are reminded that we can do nothing without God, and that He is moved by your intercession for us. May God continue to bless you in the days ahead.

Sincerely In Christ,
